im managing windows updates by group policy. On the Windows XP computers i can manually go to windows update page and select to download updates for other microsoft products by clicking the button and it appears to download and install a new version of windows update or something.

### **Forcing windows update to download other Microsoft product**

The Paths to the primary Certification. The table below shows the different paths and levels for Cisco Certifications. All Certifications, except for CCAR, require passing one or more theoretical exams offered by Pearson VUE. CCIE Certifications also require a hands-on exam administered at special labs around the world.
