Linguistics, as a study, endeavors to describe and explain the human faculty of language.. Linguistic study was originally motivated by the correct description of classical liturgical language, notably that of Sanskrit grammar, or by the development of logic and rhetoric in ancient Greece, leading to a grammatical tradition in Hellenism.Beginning around the 4th century BCE, China also ...

There are two competing notions of the predicate, generating confusion concerning the use of the term predicate in general. The first concerns traditional grammar, which tends to view a predicate as one of two main parts of a sentence, the other part being the subject.The purpose of the predicate is to complete an idea about the subject, such as what it does or what it is like.
