Introduction. Maternity Benefit is a payment made to women who are on maternity leave from work and covered by social insurance (PRSI). You should apply for the payment at least 6 weeks before you intend to go on maternity leave (12 weeks if you are self-employed). If you are already on certain social welfare payments then you may get half-rate Maternity Benefit.

Breeding in the wild is the natural process of animal reproduction occurring in the natural habitat of a given species. This terminology is distinct from animal husbandry or breeding of species in captivity. Breeding locations are often chosen for very specific requirements of shelter and proximity to food; moreover, the breeding season is a particular time window that has evolved for each ...
