We've already touched on a basic definition, but now let's delve a little deeper into the question: "What is brand personality?" In simple terms, personality is the driving force behind your brand experience, the unique element that brings your company to life and makes it easier for you to create meaningful connections and relationships, rather than just transactional experiences.

Self-Determination Theory (SDT) is a theory of motivation.. It is concerned with supporting our natural or intrinsic tendencies to behave in effective and healthy ways. SDT has been researched and practiced by a network of researchers around the world.. The theory was initially developed by Edward L. Deci and Richard M. Ryan, and has been elaborated and refined by scholars from many countries.
